Private Lessons or Clinics

*While this program is a great introduction or continuation of your child's tennis game, private lessons and clinics are the **best way** to learn solid mechanics and fundamentals.*

Vetta Sunset – St. Louis, MO

USTA Tournaments

*Players are encouraged to become members of the United States Tennis Association (USTA).
Junior memberships are FREE!*

By having a membership, your child is able to participate in local tournaments to build the competitive side of their tennis game so they can build confidence and compete!

*This is **ESSENTIAL** for your child to be ready for the rigors of competitive high school tennis should they want to be a part of the team!*

If you have any questions about the USTA or tournament play, please reach out to Coach Mennerick directly.

Thank you for your support of Panther Tennis!
