

Dear Parents-

I am pleased to announce that your child has the opportunity to take a fun and educational trip to Washington, D.C. with his or her classmates from May 15-19, 2018. This is an exciting once-in-a-lifetime opportunity for your child to discover American history firsthand while fully grasping what we are learning in the classroom interactively.

I will be leading our tour with other chaperones, as needed. I will be working with NationsClassroom, a professional student travel organization, to plan every aspect of our tour. There is a great deal of helpful information about educational tours on the NationsClassroom website. Please visit www.nationsclassroomtours.com to learn more about what to expect.

Our Washington, D.C. educational tour promises to be an inspiring experience the students will remember for the rest of their lives. If you have any questions, please feel free to contact me at school.

Best Regards,
Amie Reed
Tour Leader
