Dear Parent or Guardian:

If your child needs some help to bring up his/her grades, Carriel JHS will be offering after-school Homework Help to any interested students. This is a service that will be offered at a nominal cost to parents, supervised by Carriel staff, with financial support again this year from the Carriel PTO. The sessions will be focused on helping struggling learners complete homework, study for upcoming assessments, or allow them time to ask questions about a lesson.

The after-school **Homework Help Program** at Carriel will be offered most Tuesdays and Thursdays, September 25th through May 9th, from 3:00 to 4:00. Group sizes are meant to be kept beneath a dozen students, and a certified CJHS teacher will oversee the sessions. Teachers may help with homework, act as a study partner for tests, or help with questions about a lesson. Teachers are not available to monitor students after 4:00—rides must be here **promptly** at 4:00.

Students must come prepared to all sessions and be ready to work for the entire time (there is no “Early Dismissal” from Homework Help). Attendance will be taken each session. Students should bring a book with them in the event they have free time before the end of the session. Any student who does not use this time wisely to work on their homework, or who does not try their best, will be dropped from the program (without refund of fees) so that our numbers can remain as low as possible. **In addition, all students are subject to the Student Code of Conduct while attending Homework Help.** If you have a question about your child's enrollment in Homework Help, feel free to contact me.

The family portion of the cost of Homework Help will be **\$40**. This fee will cover the cost of your student for the entire program (September 25th-May 9th). See the attached registration form for more information.

If you would like to have your child benefit from Homework Help, please fill out the registration form and return it to the Office with either cash or a check payable to **Carriel JHS**. If you choose to allow your student to participate, you will receive a calendar of Homework Help days with a copy of your student's completed form for your records.

Thank you,
