EVANS ELEMENTARY

Hello Evans Families!

Welcome to P.E.! My name is Beth Clark and I will be your PE teacher for this year. This is my second year teaching in District 90 and my 6th year teaching PE. Please review the notes listed to the right. If you have any questions, please let me know. I look forward to meeting all of your students!

FITNESS TIP:

STAY HYDRATED

Keeping your kids hydrated with healthy drink choices like water and milk has many benefits. It will help prevent fatigue, improve mood, aid digestion and maintenance, and enhance brain function. Try to eliminate sugary drinks such as soda, sports drinks and energy drinks, as they are often packed with sugar, caffeine and other unwanted ingredients. Too much caffeine can increase heart rates, blood pressure, interrupt sleep and cause nervousness and irritability.
