I, _____, parent or legal guardian of _____

am a resident of the O'Fallon School District 90 and enroll my child in District 90. I hereby authorize, and consent to School District 90, its employees and agents, and _____, my child's licensed health-care
Provider
provider or any licensed provider in his or her group practice, or emergency personnel, in my behalf and in my stead, to administer first aid or emergency medical assistance to my child. This permission and consent extends to the right of School District 90, its employees and agents to arrange for immediate medical treatment by a licensed or certified physician and/or other medical personnel and for such physician or other medical personnel to apply such emergency techniques which, in their judgment, they deem appropriate to treat any injury sustained by my child.

I do hereby agree to hold harmless and indemnify the school district, its employees and agents, either jointly or severally from and against any and all claims, demands, damages, or causes of action or injuries, resulting from or arising out of the provision of emergency medical treatment by school personnel or by a physician and/or other medical personnel.

In case the school officials are unable to contact me (parent/guardian) or any of the designated emergency contacts and my child needs to be transported to a hospital, decisions will made in the best interest of the child.
